USPTO fee schedule

Effective January 19, 2025 (Last Revised August 14, 2026)

The fee schedule provides information and fee rates for USPTO's products and services. All payments must be paid in U.S. dollars for the full amount of the fee required. View the **Accepted payment methods** page or call the USPTO Contact Center at 571-272-1000 or 800-786-9199 for assistance.

SCAM ALERT - Warning about non-USPTO solicitations and **warning about spoofed calls that impersonate the USPTO** requesting payments.

Patent fees

The fees subject to reduction upon establishment of small entity status (37 CFR 1.27) or micro entity status (37 CFR 1.29) are shown in separate columns. Except for provisional applications, each application for a patent requires the appropriate search fee and examination fee in addition to the appropriate fee(s) in the "Patent application filing fees" section below. This means each fee listed as a "Basic filing fee" in the "Patent application filing fees" section should be accompanied by the appropriate search fee listed in the "Patent search fees" section as well as the appropriate examination fee listed in the "Patent examination fees" section. The $400/$200 non-electronic filing fee (fee codes 1090/2090/3090 or 1690/2690/3690) must be paid in addition to the filing, search and examination fees, in each original nonprovisional utility application filed in paper with the USPTO. The only way to avoid payment of the non-electronic filing fee is by filing your nonprovisional utility application via Patent Center. The non-electronic filing fee does not apply to reissue, design, plant, or provisional applications.
